--------------	---------------	---------------	-----------	-----------	-----------	-------------	------------	--------------

- ¹ These figures assume that the service address municipality matches the municipality determined from data supplied by the marketers.
- ² These figures exclude 5 commercial signups (2 at the 50% level and 3 at the 100% level) for which the service address of the enrolled company is unknown.
- ³ These figures exclude 92 residential signups (20 at the 50% level and 72 at the 100% level) for which the service address is unknown.
- ⁴ These figures include signups located in the three ineligible municipalities of Bozrah, Norwich and Wallingford.
Because it is possible that these customers are served by CL&P or UI, we assume that these are exceptions and are eligible.
